On Time Please!

Please try to ensure that your child arrives to school on time. This helps us to protect our class bubbles and to prevent children from different classes who are late mixing together. **It is really important that only Primary 1 and 2 children enter our school through the back gate so that we can maintain the safety of all children in their class bubbles.**

Please maintain the 2 metre social distance when waiting to drop off or pick up your child. Thank you.
