No.12

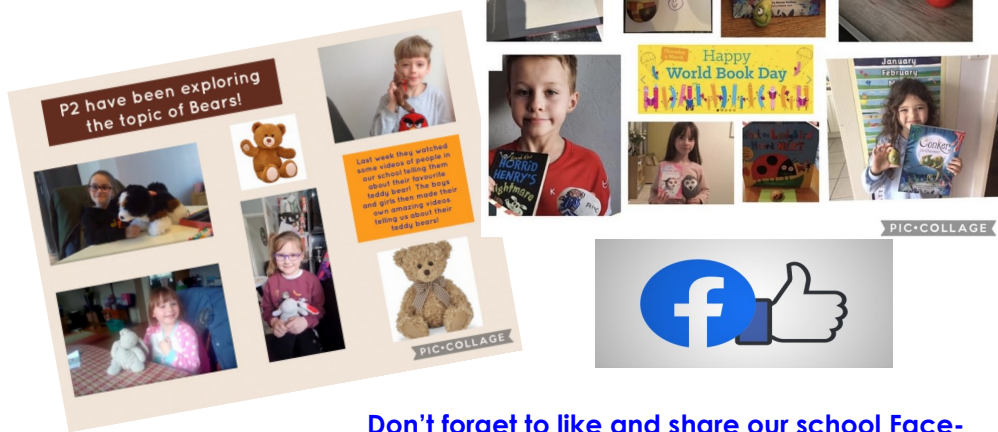

The 8th March saw our P1—3 children return to the building for the first time since before Christmas and it was fantastic to hear some of our classrooms filled with the sounds of laughter and learning again. The children returned with a hugely positive attitude and it didn't take long for them to settle in to their old routines. [We now know given yesterday's announcement from the Executive that these classes will not return to home learning and will remain in school until the Easter break.](#) We hope to hear some more positive news in the coming week for when we can plan for a full return of our pupils, a day that we all look forward to!

Thank you for your continued support at this time.

Don't forget to like and share our school Facebook page to keep up to date with events both at home and in school.

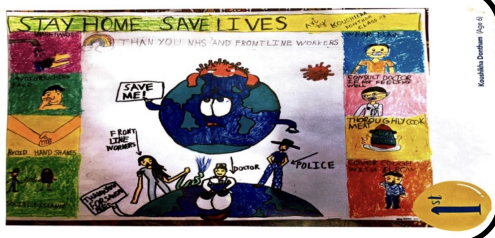

IMPORTANT!

Please try to ensure that your child arrives to school on time. This helps us to protect our class bubbles and to prevent children from different classes, who are late, mixing together. It is really important that only Primary 1 and 2 children enter our school through the back gate and line up with their class so that we can maintain the safety of all children in their class bubbles.

Please maintain the 2 metre social distance when waiting to drop off or pick up your child **and please wear a mask**. Thank you.

Well done to Koushika Dontham in P3O who won 1st Prize in the Children in Northern Ireland Letters of Lock-down Competition.
