New Entrance for Wrap Around Club

Dear Parents

Please note that we are moving the entrance for Breakfast Club and After Schools Wrap Around back to our original entrance at the P1/2 playground door. This will **begin on Monday 16th January**. Access to this door will be gained by using the path that is beside our new Community Room.

The Back gate will be locked at 3:15pm and it is important to note there will be no access to school via this entrance after 3:15pm.

Everyone should collect or drop off their child for Breakfast Club and After schools via the path at the front of the school.

Kindest regards,

The Wrap Around Care Team.

Follow the path marked in yellow to get to the correct door.

Please remember that Lisnasharragh Primary School is a nut free school. We have a number of pupils throughout the school who have been identified as having nut allergies. It is important that you check the labels on the snacks that you send in with your child.

We do have a Healthy Eating policy and would encourage the pupils to eat fruit and vegetables as part of their snacks at break and lunchtime.

A Big Thank you to everyone who contributed to our retiring offering for Marie Curie NI. An amazing sum of £232.44 was raised for this wonderful charity.

Congratulations to our football team who made it to the final in the Ashfield Boys' Football Tournament but unfortunately lost out on the cup due to penalties.

Many of our girls love to participate in a variety of activities outside school and have been very successful in these, achieving amazing awards.
