Weekly News

Friday 19th March 2021

No.13

On Tuesday 16th March Mr Peter Weir, Minister for Education, announced that all primary school children should return to school after the extended period of remote learning in term two. We are absolutely delighted that we will once again have our whole school family in the building and can't wait to welcome them all back on Monday 22nd.

Can we reassure you that our pupils will be returning to a warm and welcoming environment and although there will be the continued need for vigilance and extra procedures designed to keep our children safe, our staff will continue to work within these guidelines to provide your children with rich and engaging learning experiences.

Can I also just take this opportunity to extend my deepest gratitude to all our families for your support and hard work in supporting us and indeed your children through this period of 'home learning'. As a father of three, a teacher and a principal I know only too well the pressures that you have faced in recent months and want to extend a huge thank you from all our staff for all you have done. Please do take time to read the return to school letter sent via Parentmail yesterday. We are looking forward to seeing you all on Monday. Mr Houston.

Lisnasharragh Primary School
