No.14

Thank you to everyone who donated to our 'non-uniform' day, we raised a fantastic £502.50 (so far) for our P.S.A funds. Your generosity and contributions really do make a huge difference to our school. It has also been a lovely way to end this term and what a term it's been!

Can I once again extend my sincere thanks to you all for your support and publicly thank all my staff who have worked so very hard to support remote learning, run our key worker provision and indeed help get all our children back to school. I recently mentioned just how delighted I was to re-join this team and work in this community once again. One of the big reasons for this being the child centred ethos and togetherness in a common goal, those values have been more evident than ever of late and for that I am very grateful.

I hope you all have a wonderful Easter Break and we will see you on April 12th. I very much believe that brighter days lie ahead.

Mr Houston.

Safeguarding and Child Protection

2020-2021

The staff at Lisnasharragh have a primary responsibility for the care, welfare and safety of the pupils at our school. We seek to protect our pupils by helping them learn about the risks of possible abuse, to be able to recognise different kinds of unwelcome behaviour in others and to acquire the skills and confidence they need to keep themselves safe. Recently our 'safeguarding team' has undergone some changes that we wish to share with you.
