Afterschool Clubs

The pandemic has made the running of our extensive afterschool club provision challenging however we do greatly value the opportunities they give to our children to develop skills outside the classroom and recently we have taken small steps to aid their return.

Recently if you have child in P2, P3, P6 & P7 you will have had the opportunity to attend 'Max Coding' a club run by an external company teaching coding through robots, apps and drones. We hope to continue this relationship and offer it to other year groups in the coming months.

We are also delighted to announce another upcoming collaboration with AMJR coaching to offer football, again for specific year groups. Andy Mitchell and Josh Robinson, both current Irish League stars will offer bespoke football coaching to children on a Friday afternoon at Lisnasharragh P.S. Keep your eyes peeled for more information in the coming days.

Please note that bringing in these external providers is not to replace our normal club system run and operated by our teaching staff. We are now in the process of looking at our free to use school football, netball, hockey, choir, Eco club and many more returning soon. However, these new collaborations will help us provide an even wider offering moving forward.

Thursday 5th May 2022

The school will be closed on Thursday 5th May 2022 due to elections taking place.

(choose this rule and don't sit your end of the week spelling test on Thursday 27th May)

- **YOU MUST ALWAYS COMPLETE YOUR HOMEWORK EVERY NIGHT £1**

Break all 4 rules for the knockdown price of £2.50

Could we kindly ask parents that drop off and pick up at the back gates not drive right up to the gate. Recently this has caused concerns about pupil safety with a larger number of pupils now accessing the school that way than ever before. Please also be mindful of local residents and their need to have access to their properties at all times. Many thanks for your cooperation.
